

## SAFETY KNIFE LEVELS

At MARTOR, it is our mission to provide safer-cutting solutions in the workplace. Our safety knives exceed the highest standards for quality, efficiency and sustainability. MARTOR's five-level safety classifications redefine and set the standards for the safety knife industry. Training and education are high priorities, customer safety is our focus, and we pride ourselves on finding the best solutions for you.

### Maximum safety

### Basic safety

Level 1	Level 2	Level 3	Level 4	Level 5
